

The Center for Soulful Living Presents

Living From The Soul ***A Transformational Seminar*** **Facilitated by Carrie Bodane, Minister of Soulful Living**

Wednesday February 1st
7:00 pm to 9:00 pm
St George Community Healing Arts
904 N. 1400 West
Saint George, UT

Within every person there exists a divine source of love, wisdom and power called the soul. This seminar experience is being provided to assist each participant with gaining a deeper soulful connection and a greater understanding of the soulful power that exists within.

In this seminar you will:

- **Receive a special blessing to align you with the consciousness of your soul**
- **Gain an understanding of who you really are through the eyes of the soul**
- **Receive sacred time with your soulfulness**

\$15 Love Offering for registrations received on or before 1/27/12

\$20 Love Offering for registrations received after 1/27/12

For questions, contact Elise Fee at 435-669-8588 or ekfee@yahoo.com

Carrie has been assisting people in her private practice located in Raleigh, NC for over 20 years. She is a published author, an accomplished lecturer, and the founder of Personal Transformation and Ascension. Within the scope of her education and experience she has accumulated a great deal of knowledge of the body, mind and spirit realms with regard to natural healing and spiritual ascension. She now focuses her healing skills and gifts to facilitate deep transformation within the body, mind, and spirit while enhancing one's soulful connection and spiritual consciousness. Her background includes being ordained as a Minister of Soulful Living (MSL) and a Certified Trainer/Mentor of Soulful Living. Carrie holds a Doctorate of Naturopathy Degree and a Bachelors Degree in Holistic Health.

"Carrie is a gifted healer and a huge blessing on the planet! I highly recommend her powerful work to assist you in your personal evolution and awakening. I experienced wonderful light energy and a great sense of peace while receiving her unique energetic transmissions. Carrie is an expert in energy medicine and the quality of her work is amazing!"

- Reverend Angela Mandato, LMT, NCTMB

"Carrie is an exceptional teacher who has the rare ability to communicate great truths at the deepest levels."

- Donald Settle
